

## Sahakar Maharshi Late Bhaskarrao Shingne Arts College, Khamgaon

### Annual Report 2021-22

It is a pleasure to present the annual report of Sahakar Maharshi Late Bhaskarrao Shingne Arts College, Khamgaon for the session 2021-22. Most of the session was online and so teaching and other activities in 21-22 were held both in the online and offline modes. Vaibhav Samadhan Karale, Anant Shailesh Pachbole, Ashutosh Pandharinath Bagekar of B.Voc. (Vehicle Testing) have done us proud by appearing first, second and third respectively on the university merit list of summer 2021. Also, Shubham Umakant Khutafale and Sumit Kishor Yeole of B.Voc. (Farm Equipment and Machinery) bagged the second and third merit in the examination.

Five research students submitted their synopsis in English and History. The IQAC conducted two days workshop on “New NAAC Framework and Initiatives for Quality Enhancement” on 25<sup>th</sup> & 26<sup>th</sup> Sept 2022. A one day national online conference “Socio-Religious and Political Movements in the Pre-independence Period & Today” was organized. The department of Physical Education in collaboration with B.S. Patel College, P. Kale held two days National E-Workshop on “Impact of Yoga and Meditation, Interventions on students Stress and Anxiety Levels” as part of activities for International Day of Yoga 2022. A University level debate competition, “Impact of Online Teaching on Quality of Education” was organized. A two days workshop on “Role of Communication Skills in Student Life” was organized by the English department. The college registered for club membership of the National Digital Library (NDL). User awareness programme for NDL was held on 9 Mar 2022 through the online mode.

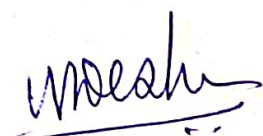

On the occasion of Women’s Day, camp for hemoglobin test for girl students was held wherein medical staff of Civil Hospital interacted with the girls regarding importance of optimum Hb levels and AIDS awareness. The ICC organized a counselling programme for all students through the *Daminipathak*, Khamgaon police station. A guest lecture on cyber awareness for women was also held. Students of Home Economics conducted survey of Self Help Groups in village. Students prepared projects on waste water management and waste management.

Various activities under different departments included guest lectures, add on and value added certificate courses, essay competitions, celebrations of National days and festivals, quizzes and assessments. Departments organized field visits and visits to workshops for experiential learning. A virtual tour and online alumni meet were also held.

The college organized various co-curricular online activities throughout the year. The NCC unit observed Army Day and tree plantation. The Environment Committee also undertook creating awareness and observing Environment days as green initiatives were strengthened by as well as awareness programmes were at the focus of the NSS unit of the college. Students participated in Voter awareness and Vaccination awareness rallies.

Besides observation of national days, the various departments, NCC and NSS units of the college have held various extension activities. Besides activities during the NSS camp at the adopted village, Tembhurna, volunteers actively participated in cleanliness and tree plantation drives, water conservation and improving the nursery in the college premises and organizing awareness programmes. They were an active part of Pulse-polo campaign and COVID-19 vaccination drives of the Civil Hospital. Various activities for environment conservation and protection continued our team efforts for green initiatives. Hundreds of saplings were distributed to Gram Panchayats and NGOs for tree plantation drives. A workshop on "Assessing the Environmental Performance" for teachers, non-teaching staff and students, inspired all to go back to environment friendly practices at home and work.
