## **MoUs / Linkage for Internship, on-the-job training**

Students got hands on experience at authorized automobile workshops though mostly no formal MoUs were signed. They completed internships and are also gainfully employed and progressing. For instance, suraj mankar with intership at shriram tractors khamgaon in 2018-19 got employed at manraj motors on the post of mechanic and is now a service advisor.

The Sector Skill Councils, Automobile Skill Development Council (ASDC) and Agriculture Skill Council of India (ASCI) conduct assessment of skill component of BVoc programme with curriculum aligned to the Qualification Packs (QPs). As this was mandatory from the UGC, no formal MoUs were signed for the same.

Students also get training at central government institute, Central Farm Machinery Training and Testing Institute (CFMTTI), Budni, MP on the request of college.

Thus the training and internship activities have been entered under linkages wherever there is no formal MoU. MoUs, wherever available have been attached.
